- Retail Showroom Development 100 Anzac Highway
High exposure tilt up slab development at the corner of South Road.
- South East Institute of TAFE Mt. Gambier.
Project Architect responsible for all of the contract administration under the
Project Management of Services SA. This was a twelve million dollar new
building involving complex relocations of entire TAFE departments.
- Savings and Loans Credit Union Head Office
Very much a "silk purse out of a sows ear". Transforming the old (reputedly
haunted) Earl of Zetland Hotel into a slick corporate head quarters. Valuable
experience gained in asbestos removal.
- The Meneng Hotel
Twelve million dollar upgrading of an existing hotel in the central pacific. The
works were undertaken on a "fast track" method and under difficult conditions.
Mainly involved in trade package documentation and contract interpretation.
- Kooyonga Golf Club
\$700,000 upgrading of the existing club house including total services
upgrade. Involved in all aspects of the project from its inception to the final,
lengthy contract variation negotiations and settlement with the Builder.
- Oxford Hotel Redevelopment
A very enjoyable project. Major involvement in design and documentation of
the interiors under the supervision of the Project Director (David Dawson).
Overseas travel precluded follow through with contract administration.
